

Join Lara on her exciting journey through the languages of Europe!

Together, you will discover how people speak in different countries and what special features and similarities languages have. In her first book, Lara explores 47 of Europe's major and lesser-used languages, along with their unique writing systems.

Ages 10+

Includes audio files in the individual languages!

Includes a language tree!

LARA'S JOURNEYS THROUGH THE LANGUAGES OF EUROPE

Discover the regional and minority languages of Europe!

In her second book, Lara sets off on a new language journey and discovers the fascinating world of Europe's regional and minority languages, their special features, and how they developed over the course of history. Featuring 39 languages!
