

Láčho d'ives!

Me man vičínáv o Michal. Phirav úro oc  
gimnaziujum Kremnicatar. Pro adija sikh  
but amala. Andro klas sam dešupandž dž  
man rado sikhľarav . Dičhol pes mange prem  
romaňi čhib, anglikaňi čhib the matematika.  
Kana agorisaľav e sikhad'i kamav te kerel e prof  
sikhado .

Good morning! My name is Michal.  
I attend the eighty eared  
Comprehensive school in Kremnica.  
I have got a lot of friends at the school.  
We are fifteen pupils in the classroom.  
I like to study. I like subjects: Roma  
language, English and Math. After  
finishing the school I would like to  
become the teacher.
