

Attachment 4.2.

Carmen

I have been thinking what I want to be when I grow up. My father sells cars and my mother is a sewer. I think I want to become a singer or a doctor. My older brother Allan is in a trade school. He is going to be a mechanic.

The places I would like to work at:

Circus

Hospital

School

Dais

Shopping mall

Me in the future? ☺

What do you want to do?
