

Different kind of trips

Choose the meaning of a trip and attach it the correct description in Romani.

Migration	Active holiday	City Holiday
Work trip	Holiday at the beach	

We will relax and enjoy about
the sunshine! Our hotel is close by
the beach so we can go there
by foot.

We will not rest on our holiday! We will
go in for sports. If we need to go
somewhere, we will use rollerblades.

Our hotel is in the middle of the city.
We will go sightseeing.
We will use busses and taxis
during our vacation.

I walked a long way. We went through
many countries. This is how Roma
people came to Europe. They also used
horses and wagon.

We don't have time to see the
attractions. We work a lot. We use a taxi
for travelling between a hotel and our work.
