

Attachment 3.2.

Carmen

My school is nearby. I walk there for five minutes. My best friends are in the same class with me. My friends Laura and Lilja are my neighbors. Sometimes we go to shopping with my friends. The shopping mall is few kilometers from our home. We take a bus to get there.

The things I carry with me in my school bag:

Pencils

Rubber

Books

Notebooks

Diary

Have a fun time at your school! ☺
